

June 12, 2020

Dear Members,

We are excited to share the news! We're reopening the Main Gym Facility on Monday, June 15th at 29001 Oak Terrace in Cedar Glen.

At this time, our new hours are: Weekdays Monday-Friday 6AM-7PM and Weekends Saturday 9AM-5PM, closed on Sunday.

We are a COVID-compliant facility, implementing CDC safety guidelines and disinfection procedures for reopening. We'd like members to be aware of the following new practices:

- Members are asked to wear a face mask at entry and exit of the facility (where people tend to gather). There's no requirement to wear the mask during workout.
- Physical distancing will be practiced at the facility
- Contact-less temperature readings may be part of the check-in process. If you have any symptoms of cold or flu, coughing or sneezing then we ask that you stay home and not enter the facility.
- During workouts, we ask that all members disinfect equipment after each use, and sanitize or wash hands frequently. Gym disinfecting wipes and hand sanitizers will be provided throughout the facility.

Group classes at the Studio are not scheduled at this time. While we are all start working out at the Main Gym Facility, we'll continue to examine how to safely reinstate class programming as a second phase to our reopening. We'll keep you posted.

We miss our close-knit fitness community and look forward to seeing you at the gym on our health & wellness journey.
